EMPLOYEE REGULATIONS**

FOOD SERVICE EMPLOYEES

The employee benefits and job conditions that are described in this policy are set by the Board of Education to reward you for the skill, effort and experience that you apply to your job. These benefits and regulations represent the combined thinking of the Board, the Administrative Staff, and many of the employees who have expressed themselves on this matter. Any questions, which arise, can be handled promptly and fairly, provided you make them known to Food Service Director and/or Superintendent. We are always willing to discuss and give consideration to your questions and any suggestions you might have.

The benefit levels established by this document will remain in effect until June 30, 2016. Any changes after that date will be discussed in advance with you.

AGREEMENT

This Agreement is made this July 1, 2016 by the Board of Education of the Northview Public Schools and the Northview Food Service Employees Association.

ARTICLE I - EMPLOYEE COVERAGE

The Board recognizes the Northview Food Service Association as representative of all Food Service Employees of the Northview Public Schools, excluding the Food Service Director.

ARTICLE II - EMPLOYEE RIGHTS

The Board of Education recognizes these employees for the purposes of improving communications between employees and representatives of the Board of Education. The Board agrees that the Association and its members shall have the right to use available school building facilities at reasonable times and hours for any desired meetings provided arrangements have been made in advance with the administration.

For the purpose of reviewing employee suggestions and complaints under the procedure provided in **Article XII** hereof and for reviewing the various provisions of this contract prior to making amendments as hereinafter provided, the Northview Public Schools Board of Education recognizes representatives of the covered employee group. The Association and its members may schedule meetings in school buildings through the regular Building Use form.

ARTICLE III - BOARD RIGHTS

The Board of Education, on its own behalf and on behalf of the electors of the School District, hereby retains and reserves unto itself all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the Laws and the Constitution of the State of Michigan and of the United States, including, but without limiting the generality of the foregoing, the right:

- (a) to the executive management and administrative control of the school system and its employees, properties and facilities.
- (b) to hire all employees and subject to the provisions of law to determine their qualifications, the conditions of their dismissal or demotion, and to promote and transfer all such employees.

(c) exercise of the foregoing powers, rights, authorities, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof and the use of good judgment and discretion in connection therewith shall be limited by the specific and express terms of the Agreement and then only to the extent such specific and express terms of this Agreement thereof are in conformance with the Constitution and Laws of the State of Michigan and the Constitution and Laws of the United States.

ARTICLE IV - SENORITY

Seniority shall be defined as length of continuous service in the employ of the School Board commencing with the date of last hire. All new employees shall be considered probationary until they have worked for the Board for sixty (60) workdays. After the probationary period is completed, the employee will be entered on the seniority list as of the date of last hire. All employees are considered at will employees.. Probationary employees will not be paid for holiday, personal, or sick time until the completion of the probationary period. At that time retroactive payment will be made.

In all promotions to positions within the food service group, as well as in all layoffs and recalls, the seniority of employees within the food service group shall be considered along with skill and ability of the employees concerned. Provided the skill and ability of employees, as determined by the Board of Education, are relatively equal, seniority shall govern.

Seniority of an employee shall automatically terminate if she/he voluntarily quits; is discharged; or if she/he fails to report after a leave of absence.

If a layoff occurs for any reason, and newly hired probationary employees are employed in the classification affected, they shall be the first to be laid off.

Should a further staff reduction be necessary, layoff shall be determined by the following criteria as determined by the Board:

1. Skill and ability
2. Experience and qualification
3. Prior job performance
4. Seniority

If a more senior employee is laid off, the employee and the Association will be notified of the reason for retaining a less senior employee.

Recall shall be in inverse order based on the same criteria used for layoff as determined by the Board.

A recall list shall be maintained by the Board for a period not to exceed two (2) years.

ARTICLE V - CONDITIONS OF EMPLOYMENT

Section 1. Earned Time Off (ETO)

The intent of ETO is to keep the employee in a paid status on all non-work days or in the event of illness. ETO is not to be used for vacation purposes on scheduled work days. If the employee chooses to schedule a vacation on regularly scheduled work days, these days will be unpaid and the employees shall be charged an ETO day.

Five ETO days will be front loaded at the beginning of each school year for employees hired prior to July 1, 2013. (Employees hired after July 1, 2013 shall earn a maximum of 20 ETO days, subject to proration in year one.)

School year and regular part time employees shall be allowed to accumulate Earned Time Off (ETO), beginning the first school year after their probationary period is concluded, at the rate of two(2) days per month, excluding July and August, for a total of twenty (20) days in any one year.

An employee who desires to use an ETO day must notify the Supervisor and request a substitute, if needed, through Food Service Supervisor as soon as possible and in no case later than 7:00 am on the day of the absence.

One ETO day per year may be used immediately before or immediately after a holiday, or break period, subject to approval from the Food Service Director. Approval will be based on staffing levels and needs.

Section 2 – Conversion of ETO

Example: 100 days accumulated at four (4) hours per day convert to 67 days at 6 hours

Section 3 – ETO Accumulation

The accumulation of ETO will begin after the probationary period is concluded. (All annual benefits will be prorated for the first year due to the probationary period.)

ETO will accumulate based on actual hours worked.

The maximum number of ETO days allowed to accumulate shall be one hundred-sixty (160). All accumulated ETO shall terminate when the employee leaves the employment of the district prior to retirement. Employees retiring from the district will receive compensation for unused ETO days as specified in Article VII-Retirement. Employees shall possess and maintain sufficient good health, physical and mental, to adequately perform their respective duties.

Section 4 – Bereavement Leave

Absence without loss of salary for up to seven (7) days per year shall be allowed. The first seven (7) days will not be charged to the accumulated ETO leave. Any days absent in excess of seven days will be charged to the accumulated ETO days. If ETO days are not available any approved days off will be without pay. Any additional time needed will be at the approval of the Superintendent or designee.

Section 5. Other.

If an absence of more than two days is not pre-approved due to extenuating circumstances, that time may be considered a Leave Without Pay and/or may result in disciplinary action. The Food Service Director may request a doctor’s verification for your absence.

All leaves are considered as time off for the reasons stated and necessary for the protection of the employee. Any employee who willfully violates or misuses this policy or who misrepresents any statements or conditions under this policy shall forfeit all pay for this stated period and any further rights under this policy unless reinstated in good standing by the Superintendent or designee. ARTICLE XI - WORKERS' COMPENSATION
