

Dear Parent:

Our school district has made arrangements to acquire the GRASP program for you this summer. GRASP is a correspondence program for grades K to 8 which helps students maintain reading and math skills while they are on summer break.

Children receive a packet of materials with a booklet containing 9 lessons. It should take your child approximately one hour to complete each weekly lesson. They complete one lesson a week or work at their own pace, as long as they submit lessons before August 14th. They mail the lessons to GRASP where they are scored and returned to the children with comments.

We also have an on-line version of GRASP for students in 4th to 8th Grade. These students will receive feedback immediately.

Children successfully completing at least 7 lessons with 70% accuracy are awarded a certificate. Those successfully completing all 9 lessons with 70% accuracy receive a medal.

Each child should be placed at the grade just completed in school. If there are extenuating circumstances, order the level that is appropriate for your child. The fees for the summer of 2017 are \$26 for one subject or \$46 for both subjects for each child. You can enroll your child by completing the form below and paying the indicated enrollment fee.

THIS FORM AND FEE SHOULD BE RETURNED TO THE SCHOOL NO LATER THAN **MARCH 27, 2017**. All materials or login information will be sent home with the child the last week of school.
