

SUMMER CHILDCARE for NORTHVIEW STUDENTS

Northview is excited to announce that we are now partnering with the YMCA to provide action-packed **SUMMER CHILDCARE** programming for our families of students **ages 5-12**. **Summer Day Camp at the Wolverine Worldwide Family YMCA** is a time for exploration. Each day is filled with new experiences where each child explores new talents and interests while developing and strengthening friendships along the way. Most of all, summer day camps at the Y keep your child having fun all summer long.

The Wolverine Worldwide Family YMCA sits on 40 acres of property (6555 Jupiter Ave. in Belmont) that includes sports fields, walking trails, and a low ropes challenge course. Day campers do things like build forts in the woods, go swimming several times per week, and climb the rock wall. The Wolverine Worldwide Family YMCA Day Camp is licensed by the State of Michigan. Financial assistance is available based on a sliding scale. Call 616.855-1440 to inquire.
