

Literacy is a cornerstone of every student's educational foundation. Northview will provide a curriculum that will be structured to provide every student with the knowledge, skills and tools to be literate.

- 4.1.1 The Northview student demonstrates improvement in the mastery of core curriculum performance standards, as measured by national, state, and classroom assessments.
- 4.1.2 The literate Northview student demonstrates independence with text. At age appropriate levels students comprehend varied print and digital texts, and then demonstrate their understanding in writing, speaking, and in multi-media presentations.
- 4.1.3 The literate Northview student acquires and shares knowledge of subject matter through reading, writing and speaking.
- 4.1.4 The literate Northview student sets and adjusts communication based on the audience, task, purpose, and subject matter.
- 4.1.5 The literate Northview student understands and can explain what writers, speakers, and visual media creators are saying, but also knows how to critically analyze the information shared.
- 4.1.6 The literate Northview student values evidence. Students can cite evidence to support their interpretation of text, both verbally and in writing.
- 4.1.7 The literate Northview student uses technology and digital media strategically and capably.
- 4.1.8 Literate Northview students encounter perspectives and ways of life that are different from their own, and can work and communicate effectively with peers of diverse backgrounds.
