May 31, 2018

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2016-17 educational progress for Northview Public Schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Liz Cotter, Director of People, Organization and Accreditation if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following website: [District AER](#), or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

Student Assessment Data – Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT. This section of the report includes assessment information for English language arts and mathematics for grades 3 to 8 and 11, and science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students. The report helps users to understand achievement performance within grades and schools, and to make comparisons to district, state, and national achievement benchmarks.

Accountability – Detail Data and Status

The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability index values showing school performance on a 0-100 scale.

Teacher Qualification Data

- Identifies teacher qualifications at district and school levels
- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Review the table below listing our schools. For the 2016-17 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no status label is given. We are pleased to share that, in Northview, none of our schools were assigned on of the above labels.

School Name	Status Label	Key Initiative to Accelerate Achievement
Northview High School	No Label	Align School Improvement
Northview East Campus	No Label	Align School Improvement
Crossroads Middle School	No Label	Align School Improvement
Highlands 5/6	No Label	Align School Improvement
West Oakview Elementary	No Label	Align School Improvement
East Oakview Elementary	No Label	Align School Improvement
North Oakview Elementary	No Label	Align School Improvement

We are very proud of the students and staff that comprise Northview Public Schools. We have long been recognized for our leadership and academic growth. We take great pride in the accomplishments of our students, in and outside of the classroom, as we continue to focus on improving student achievement in a collaborative and cooperative environment.

Sincerely,

Scott Korpak, Ed.D.
Superintendent
