Art Workshops

Age 14 thru Adult

Art Instructor, September Buys has taught art to students from youth through adult for 19 years, including college level continued studies classes. She has received Michigan Art Educator of the Year and National Art Educator of the Year honors. Advanced registration is highly recommended as space is limited. Please contact September (sbuys@nvps.net) should you have any questions regarding the class, or Community Ed office (NVComEd@nvps.net) with your registration questions.

Needle Felted Sculpture Workshop

Are you looking to expand your creativity through exploring a new medium? Needle Felted Sculpture is a great stress reliever as you repeatedly stab raw wool of different colors with a special felting needle! The result is the amazing development of your own unique creation! All supplies will be provided to you and attendees will have a felting kit to keep at the end of the workshop to continue with your new crafting skill.

Riverside Park (exact location at the park will be provided via email)

Bullet Journaling 101

Ages 12-100

Tricia Erickson, an art teacher at Northview High School, has been leading the student "BUJO Club" for the past two years. As a busy mom of three young children who works outside the home, Bullet Journaling has become one way for her to stay on top of everything going on in her life.

For questions about the workshops please email terickson@nvps.net.

For registrations questions please email NVComEd@nvps.net

Participants are encouraged in make this a *Mom and ME* project night, attend with a group of friends, or use it for some alone time where you can get lost in your creative side! Attend any dates you wish but space is limited so pre-registration for your first night is appreciated. This will also help us know how many supplies to purchase. Tea and light refreshments will be served.
