

Northview Public Schools
Summer 2019 Reading Fun
MOBILE LIBRARY

Our goal is that ALL students have books to read over the summer. This year's **Northview Mobile Library** will be held at five different locations in our community to give everyone a chance to get new books, exchange books and have some fun!

Please see the schedule below for themes, dates, and locations.

We are excited about these opportunities to share the love of reading, and we would love to see as many DK-12th grade students and their families as possible.

All stops will be on WEDNESDAYS from 6:00-7:30 pm
