

April 6, 2020

Happy Spring Break!

It is hard to believe that just a few months ago we were all dreaming of spring break travel plans and activities. Although life has changed dramatically since that time, we encourage you to take this week to spend time with those you live with, and reach out virtually to those you don't.

A few updates for this week:

Learn from Home Plan

Our teachers and administrators are working tirelessly during this time to roll out Phase Two of our [Learn from Home](#) (LFH) plan. Our instructional team is planning lessons, activities, and virtual connection opportunities to ensure that your students can stay engaged with us during our mandated building closure. You can expect detailed information to be shared in next Monday's communication.

As a reminder, if you have requested a Chromebook or a hardcopy packet for your student but have not yet picked it up, please refer to our [Family FAQ](#) (page 2) for pickup instructions. If your student still needs a Chromebook or hardcopy packet, please complete the form also provided in the FAQ.

Parent/Guardian Access to School Buildings

Some of you have inquired as to whether you can retrieve additional personal items from our school buildings. Consistent with the [Governor's Executive Order 2020-35](#), we will be allowing a limited opportunity for a parent/guardian to gather remaining essential items from our buildings. The final logistics for arranging this opportunity are currently being developed. Full details will be provided on Monday, April 13. Please note that during the duration of the Stay Home, Stay Safe executive order all district buildings and facilities are closed, including playgrounds and athletic fields.

We leave with this quote shared by our colleagues with the Grandville Education Association,

School is NOT closed for the year. The building is.
*If you listen closely, you can hear the hum of hard-working teachers, administrators,
and support staff preparing to save the day in ways and means never seen before.
Yes, we are brokenhearted, but these broken hearts will lead.*

Sincerely,

Dr. Scott Korpak
Superintendent
