Hello Northview families,

Below is your Monday update for the week of July 6, 2020.

Chromebook Collection
Chromebook collection continues throughout July each Tuesday and Thursday during our scheduled food distribution times (see below). Please label the device with your student's first and last name and give it to a volunteer at the curb. *PLEASE NOTE: All chromebooks must be returned by July 30, 2020.*

Food Distribution Continues Throughout Summer
Our weekly food distribution continues until August 20, 2020 at Northview High School. To-go breakfasts and lunches are served curbside each Tuesday and Thursday from 11:30 am to 12:30 pm. In addition, Plainfield Library (KDL) is participating in the Meet Up and Eat Up summer food program each Monday, Wednesday, and Friday from 11:15 am to 12:00 pm. Anyone 18 years old and younger may pick up a free lunch and Summer Wonder reading materials at the library to take home so you can eat up while you read up!

Return to School
Last week, Governor Whitmer released the MI Safe Schools Return to Schools Roadmap, a 63-page document with comprehensive guidance to help local school districts create plans for in-person learning this fall. Additionally, Ms. Whitmer announced the signing of Executive Order 2020-142, which provides guidance on developing "Preparedness Plans". EO 2020-142 requires school districts to adopt a COVID-19 Preparedness and Response Plan laying out how they will protect students and educators across the various phases of the Michigan Safe Start Plan.

Our team is actively working to develop our Preparedness and Response Plan in accordance with the Governor's Executive Order. We know that any plan will be an adjustment for our students, staff and families and we will do our best to develop options for learning that are reasonable while also compliant with state requirements. Stay tuned in the coming weeks for more information.
