<https://www.givingtuesday.org/about>

Giving Tuesday is a global generosity movement unleashing the power of people and organizations to transform their communities. This year's movement is on December 1, 2020. Please consider helping support **Crossroads National Junior Honor Society**. This group of young people strive to make our community a better place through giving of their time, talents, and treasures. Together they have decided to give to various causes this year. We are working to support Mel Trotter Homeless Shelter, Senior Meals on Wheels, and Northview Mobile Library. Your employer might match your gift.
