

Our best. Your best.

Below is your Monday update for the week of October 12, 2020.

Deadline for End of Marking Period Transfers (between in-person and virtual)

The enrollment period for families with students in grades **DK-6** to transfer between our Northview In-Person program and our Northview Virtual program closes tonight at 9PM. If you would like your student to transfer learning options for the second quarter (beginning November 2, 2020), please complete the form below.

[NVPS Grades DK-6 Request to Transfer Form](#)

Once the form is submitted, a staff member from your child's school office will contact you to confirm the transfer. Please complete the form only once per student. If you have decided to return to in-person learning and need Northview busing for your student(s), please register using the [2020-2021 Transportation Registration Form](#).

Highlands Cohorts

Starting November 2, all Highlands students who have elected to participate in our in-person learning option will attend school four days per week. We will no longer be operating on a red/white cohort model. Wednesdays will remain a virtual learning day for the entire Northview district.

Social Emotional Learning on Virtual Wednesdays (Elementary Students)

Last Wednesday, we were pleased to announce the SEL (Social Emotional Learning) Canvas page for all elementary students (virtual and in-person). We are thrilled to see that so many of you logged in to the SEL Canvas pages last Wednesday and had your student participate in our social emotional lessons. These pages contain many opportunities for mindfulness, self-awareness, lessons on social emotional topics, and well-being activities that all students may access at any time. Please click on this sample [VIDEO](#) (or this sample [VIDEO](#) with ASL interpretation) to receive a full tutorial on all that our Canvas SEL pages can offer our elementary students and families. Additionally, please remember to have your child complete the SEL lesson each week during our Virtual Wednesdays. If you have questions, please reach out to Caitlin Eyestone, teacher and SEL lessons coordinator at ceyestone@nvps.net or Becky Moore, Curriculum Director at rmoore@nvps.net.

Northview Virtual Update

Please click [HERE](#) to read an update from Curriculum Director Becky Moore specifically for our Northview Virtual families.

COVID-19 Dashboard

Through the collaboration of Kent ISD and Kent County Health Department, the Kent ISD COVID-19 weekly dashboard will be repurposed to update daily with data provided by KCHD. Starting Monday, October 12, daily positive and probable cases will be reported on the Kent ISD COVID-19 Dashboard. In order to comply with the

[MDHHS Emergency Order](#), all local districts are linked to the Kent ISD COVID-19 Dashboard. The dashboard can be found on the Northview website [here](#). The KCHD plans to submit data one time per day to one source.

Parent/Teacher Conferences

Fall parent/teacher conferences for **all** students (in-person and virtual) take place this week: [Fall 2020 Conference Schedule](#). Thank you for taking the opportunity to meet with your child's teacher to discuss their academic progress. We appreciate your participation and partnership.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Korpak".

Dr. Scott Korpak
