

Our best. Your best.

Below is your Monday update for the week of November 2, 2020.

Food Service

If your student should need to quarantine, please know that Northview Food Service offers “to go” student meals curbside at Northview High School every Wednesday from 11:30 – 12:30 pm. If you would like to take advantage of this service, please email jjager@nvps.net with your student's name and they will be added to the list. On Wednesday simply pull up to the front of Northview High School between 11:30 – 12:30 pm. You will be greeted by a food service staff member and the meals will be delivered to your vehicle.

Northview Virtual Update

To all families who are newly joining Northview Virtual today - welcome! We hope your student had a great first day meeting their virtual teacher(s) and classmates. We are committed to providing the best online programming possible, brought to you by Northview’s own teachers and administrators. Please reach out any time to the following people should you have questions, feedback, or celebrations:

Keysha Hanes- Canvas Help Desk Technical Support #: 616-425-9236

Liz Cotter- Deputy Superintendent

lcotter@nvps.net

Becky Moore- Curriculum Director

rmoore@nvps.net

Lana Christian- Central Office Administrative Assistant

lchristian@nvps.net

Technology Help Desk

support@nvps.net/helpdesk

For class schedules and routines, Zoom links, and assignment questions, please contact your child’s teacher(s).

As a reminder, all live sessions with teachers are required and account for students’ participation in school. This includes elementary small group Math and Reading sessions. Please make every effort to attend all live sessions. In the event of illness or other factors prohibiting your child from attending a live session, please make your child’s teacher(s) aware of the situation via email or Canvas message.

COVID-19 Precautions

During our weekly meetings with the Kent County Health Department, we are routinely updated on the number of COVID positive cases in Kent County as well as the percentage of positive cases as compared to total tests. As total numbers increase, it remains imperative that our Northview families remain vigilant in monitoring students for COVID symptoms, and monitoring close contacts with other positive individuals. Please complete Northview’s daily health screener to help identify when you need to keep your student home from school.

If your student is experiencing symptoms, lives with someone who has symptoms or has been in close contact with someone who has tested positive, please keep your student home. Your help is greatly appreciated.

For more information on when to keep your student home, please review our daily health screener at this link: <http://nvps.net/returntoschool/>

Sincerely,

A handwritten signature in black ink that reads "Scott Korpak". The signature is written in a cursive style with a large initial 'S'.

Dr. Scott Korpak
Superintendent
