

**Our best. Your best.**

Below is your Monday update for the week of November 9, 2020.

**Teacher Professional Development**

Today our teachers engaged in meaningful and necessary professional learning with each other. We understand that these full days of staff learning can be an inconvenience for family planning, but they are so very critical to the development of our staff and our ability to use innovative and impactful strategies with your students.

Today our staff worked together around [Essential Literacy Practices](#), [Disciplinary Literacy Practices](#), virtual teaching/learning using our Canvas Learning Management System and grade level/subject area standards alignment and pacing.

**Thanksgiving Holiday**

Please remember that there is no school on November 25, 26 or 27 for the Thanksgiving Holiday. There is also no YMCA childcare on these days. Please help our schools remain open to face-to-face instruction by following [CDC guidelines](#) during the upcoming holiday season.

Sincerely,

Dr. Scott Korpak  
Superintendent
