

**Our best. Your best.**

Below is your Monday update for the week of November 23, 2020.

### **Elementary Cohort Update**

As we announced in our special update on November 19, all in-person DK-6 grade students are returning to a cohort model starting Monday, November 30. For additional information from our elementary school principals (DK-4), please click [Elementary Cohort 2](#).

### **Canvas Tutorials**

With more remote learning taking place over the next few weeks, are you looking to gain more understanding on how our Learning Management System works? If so, please review the videos on our [Parent's Guide to At Home Learning](#) webpage. These tutorials have been released to help you and your student become familiar with Canvas.

### **Northview Virtual Update**

The Michigan Department of Education (MDE) is sharing a [Parent and Family Digital Learning Guide](#) recently released by the U.S. Department of Education (USED). The guide may help families to better understand how digital tools can provide learning opportunities, engage students, and enrich students' educational experiences.

### **Holiday Spirit Store**

Just in time for the holiday season, we are offering many unique apparel items perfect for gift-giving. Click [Northview Holiday Apparel Sale](#) to check it out! Don't delay this short and sweet sale ends on November 29.

### **Toys for Tots Collection**

Northview is teaming up with Toys for Tots! Starting Monday, November 30, community members are invited to drop off new, unwrapped toys in the collection box in front of Northview High School. In addition, on December 2 and December 9 we will be hosting a "drive thru" drop off during food distribution from 11:30-12:30 pm. Santa will be on hand at these special drop off times!

On behalf of the entire staff at Northview Public Schools, we wish your family a restful and healthy Thanksgiving!

Sincerely,

Dr. Scott Korpak  
Superintendent
