

School Punch Card Program 2020/2021

Welcome to Cannonsburg Ski & Ride Area and our School Punch Card options!

Our costs are affordable so everyone can take advantage of skiing and snowboarding. When you join the School Punch Card Program you will be issued a punch card, this is what will be used at our Ticket Office to receive your lift ticket.

The card is **NON – REFUNDABLE** and **NON – REPLACEABLE. DO NOT LOSE THIS CARD! Lost or stolen cards will not be replaced.** It should be treated like cash.

Cannonsburg Ski & Ride Area cannot be responsible for unused punches. They **DO EXPIRE** at the end of the current season. Punch card refunds will not be issued for any reason!

We have changed things a little with the “club cards”, please review and understand the price changes and options. We will also include some materials to help with your sales, i.e. order form and eye catching flyer for distribution to parents and students. These cards are meant for one person. There is no sharing of punch passes. To include the parent, parents can purchase their own punch pass.

Rental Equipment

Please be sure to provide a credit card number to our Ticket Office at Cannonsburg if you or your student wishes to use rental equipment.

The credit card is left on file for the liability of our rental equipment throughout the season; we do discard all numbers at the end of each season, if you had one on file previously, you will need to provide it for us again. We keep this imprint on file to ensure that our equipment is turned in at the end of your visit, if it is not returned we will then contact you and charge the card if needed.

We DO NOT charge this card for daily use for the student!

One thing to please remember we have hundreds of kids coming in daily, this card number on file is only for rental purposes, the Ticket Office staff does not have time to go through every sheet looking for a specific name so the card can be charged for said rental equipment. Your student must bring money with them each week. Thank you for your understanding.
