7 Go back to the app, Login, and then add your child by going to 'My Students' and choosing the + button.

****STUDENT ID REQUIRED****

8 When all children are added, you can then view transportation information for each of your children

* If you'd like to share a student link with another person, go to My Students and either long-press for Android, or left-swipe for iOS

Choose which students to share, then enter the email address of the person you'd like to share with. That person will receive a confirmation email, which will then automatically link the student to that user. They will be required to register with Ride 360, if they haven't already done so.

*Routing information may change daily, especially early in the school year|
