

Our best. Your best.

Below is your Monday update for the week of January 18, 2021.

Honoring Dr. Martin Luther King, Jr.

“I have the audacity to believe that peoples everywhere can have three meals a day for their bodies, education, and culture for their minds, and dignity, equality, and freedom for their spirits.” (Martin Luther King, Jr.). Northview Public Schools shares this belief and pledges to make progress towards these goals. In order to do so, we are honored to continue our partnership with Julian Newman of [Culture Creative](#). Please take 4 minutes to watch the below video to learn more about how Northview desires to expand the “cultural bandwidth” of our school community.

Northview continues to be grateful to our community for passing the bond proposal in May 2020.
