

**Our best. Your best.**

Below is your Monday update for the week of February 22, 2021.

**Parent/Guardian Survey Closes Tomorrow at 5pm**

We are in the process of gathering feedback from staff, students and families. This feedback will provide us with both a review of the work that we've done this year and also provide important perception data as we begin our planning for this summer and next school year. COVID-19 has presented us with many challenges and opportunities. Some of what we have learned, we'd like to retire as quickly as possible. There are other aspects that we may like to keep, or maintain with adjustments.

If you haven't already done so, please complete this short, voluntary and anonymous survey. If you have a student in grades 4-12, please also have them complete the student survey. Thank you for your participation.

North Oakview		4-7PM		4-7PM	
West Oakview		4-7PM		4-7PM	
DK-6 NV Virtual	Conference schedules will vary. Families will hear directly from their teacher regarding opportunities for conferencing.				

### **Food Service - Menu Input Requested**

Our food service team has been working hard all year to provide nutritious meals for your student. Like most other areas, the pandemic has affected our ability to procure a variety of menu items. However, we continue to strive to serve items that your student will enjoy. We are currently working with a 3-week menu rotation and we would love to gather feedback from families. Please complete this short survey to let us know your thoughts! [Menu Feedback Form](#) This form will remain live on our website so you can provide your feedback anytime. Don't forget that breakfast and lunch is free for ALL students this year!

### **Community Education Youth Enrichment Programs - Start March 1**

Northview Community Education offers it's first "in person" class next week!

Bricks 4 Kidz: Career Exploration for K-5 students

Wednesdays: March 3, 10, 17, 24, 31, April 14 @ 1:00pm

Northview High School (room TBD)

\$85 per student (all materials provided)

To register, email us at [NVComEd@nvps.net](mailto:NVComEd@nvps.net). For more information and a complete list of all youth enrichment classes, please visit our webpage at [nvps.net/community/youth-enrichment/](http://nvps.net/community/youth-enrichment/)

### **Northview High School Update**

For parents of students in grades 9-12, in case you missed it, please review the recent communication from Principal Mark Thomas regarding [Mode of Learning Change](#).

### **Elementary Update - This week's Virtual Wednesday**

Please note that *this week only* our elementary library teachers, Kurt Stroh and Carrie Davies, will not be posting an elementary library virtual Wednesday lesson. All other Unified Arts teachers will still have lessons posted for your child to complete on Wednesday.

Mrs. Davies and Mr. Stroh presented a professional learning session to our teachers last week around the topic of "representative classroom libraries". This session focused on ensuring that all classrooms have books that represent diverse cultures, families, backgrounds, beliefs, etc. This week our elementary teachers and staff, supported by Mr. Stroh and Mrs. Davies, will be 'book shopping' - selecting from representative books and using grant funds to purchase new, diverse books for each classroom and office in our elementary buildings. Mr. Stroh and Mrs. Davies are at the forefront of expanding our elementary students' and teachers' cultural bandwidth. We thank them for their research, connectedness, and commitment to ensure that everyone is well represented within the texts available to our youngest learners here at Northview!

Sincerely,

Dr. Scott Korpak, Superintendent
