**Secondary Students Return to 4 days of In-Person Learning**

For those interested in learning more about how we determined the timing of merging cohorts, please click [HERE](#) for a review of the process outlined in the Kent County Health Department's Risk of COVID Transmission in Schools: [A Framework for Public Health Recommendations](#).

**Reminder: Food Service - Menu Input Requested**

Our food service team has been working hard all year to provide nutritious meals for your student. Like most other areas, the pandemic has affected our ability to procure a variety of menu items. However, we continue to strive to serve items that your student will enjoy. We are currently working with a 3-week menu rotation and we would love to gather feedback from families. Please complete this short survey to let us know your thoughts! [Menu Feedback Form](#) This form will remain live on our website so you can provide your feedback anytime. Don't forget that breakfast and lunch is free for ALL students this year!

Sincerely,

A handwritten signature in blue ink that reads 'Scott Korpak'.
