

**Our best. Your best.**

Below is your Monday update for the week of April 26, 2021.

**Reminder: Schools of Choice Application (April 12-May 14, 2021)**

Northview is accepting applications for schools of choice. If you are a current schools of choice family and have an additional student to enroll, please complete the [Schools of Choice application](#) AND contact our Central Registrar Tina Hendrick at [thendrick@nvps.net](mailto:thendrick@nvps.net) to discuss the sibling's enrollment. Please also pass this information on to other non-resident families who may be interested.

**Reminder: Field School Application (April 12 - April 30, 2021)**

Northview is accepting nominations for our elementary Field School program. If your student (grades K-4) is interested in attending, please complete the [Field School application](#) and visit our [Field School website](#) for more information.

**Reminder: Calendar Adjustment in June**

One final adjustment has been made to the 2020-21 school calendar to maximize student instructional time. The current calendar had June 2, 3 and 4 as half days at the secondary level (June 3 and 4 as half days at the elementary level). The calendar is now adjusted so that June 2 is a full day of virtual instruction and June 3 is a full day of in-person instruction for students. There is no school for students on Friday, June 4 is a no school day for students. We are hopeful that this adjustment will ease burdens on families as they will no longer need to manage student half days.

Our teams are also actively working on the calendar for the 21-22 school year. We will share that information with families as soon as it is available.

**Special Announcement for the Class of 2021**

Seniors, in case you missed it, please read this [announcement](#) from Northview High School Principal Mark Thomas regarding end of year events.

Sincerely,

A handwritten signature in black ink that reads 'Scott Korpak'.

Dr. Scott Korpak  
Superintendent
