

**Our best. Your best.**

Below is your Monday update for the week of May 10, 2021.

**Summer Programming: Academic Offerings**

Northview is pleased to announce three distinct summer programming learning options for families with students exiting grades K-12. Please click [HERE](#) for information and registration. In order to help us plan for your child, the registration deadline is Tuesday, May 18 at 5pm.

**Summer Programming: Youth Enrichment Offerings**

Northview Community Education is offering a wide variety of youth enrichment programming this summer -- everything from bike repair to cookie decorating! For complete details, please visit our website at <http://nvps.net/community/youth-enrichment/>.

**Food Service NEW Online Menu**

Northview Food Service has upgraded our online menu to include photos of food items as well as ingredient lists, calories, sugars, etc. While we are still working on the complete rollout of this service, we wanted to provide a sneak peek now so that you can familiarize yourself with it and provide feedback. Please check back as we continue to add new items to our menu. You can find more information on our [website](#) by clicking on the red "Online Menu" button.

**Bond Construction Update**

Please note that Wildcat Stadium (track and football field) will be closed for all use from May 24 - August 23. Construction crews will be working to install a new track as part of our bond project. To view more of the exciting projects happening around the district since passing the bond in May 2020, please visit our website at <http://nvps.net/bond/>.

Sincerely,

Dr. Scott Korpak
