Instructor information:

- **Tricia Erickson** has been an art teacher at Northview Public Schools for 13 years and is finishing her 15th year of teaching. She teaches the AP Art program at Northview High School and also is an adjunct instructor for Kendall College of Art & Design. As a mom with three young kids of her own, she enjoys running summer camps in the summer to keep students actively involved in the arts. She also spends a lot of time at home with her children and their three goats Lilo, Stitch and Kevin as well as their one and only chicken named Cluck Cluck :)
- **Alyssa Medina** is a practicing artist and teacher, recently joining Highlands Middle School art department. She has worked in several large summer art programs including Blue Lake Fine Arts Camp as a camp program director.
- **Savannah Vickers** will graduate from Kendall College of Art and Design in May and is currently a student teacher at NHS and teacher in the DK-6th Extension Wednesday program. Her passion is in "creating with empathy," and she enjoys working with paint, ceramics and recycled materials to create realistic sculptures and vibrant works of art.

Pre-Registration Information

Roster sizes are limited. Please pre-register when you are able to commit to the camp/class and at least 5 days before the start of the program. This will allow the instructor to plan their purchases and/or curriculum according to roster size. Late pre-registration by email will be considered if there is room in the camp/class.

To pre-register simply email the following to NVComEd@nvps.net

- Name of camp/class you are registering for
- Participant name and grade in fall 2021
- Parent name, email and phone number
- Any special circumstances we need to be aware of

Payment information and other details will be emailed back to you once you are pre-registered.

Jewelry Creations Camp

Program Description: *Making your own jewelry is amazing fun! Learn the basics of floss, beading, paper, and FIMO clay to create earrings, bracelets, necklaces, and more! Students will make several wearable creations to take home.*

Cost: \$75 per Camper

Location: Northview High School Art Room

Magic Art Camp

Program Description: *Create magic this summer in the form of arts and crafts that awaken the magic within you! Students will create at least 3 different magic inspired creations using many different 3-D techniques. Crafts may include but are not limited to magic wands, hand crafted spell books, 3-D mythical creature companions, and more! This course will include lots of time outside, collecting natural supplies, exploring our own inner magic, and using art to make magic a reality!*

Instructor: Savannah Vickers (616) 826-0110 vickers1@ferris.edu

Ages: 7-12 years

Dates: June 21-23 (MTW) **Time:** 9:00am - Noon

Cost: \$75

Location: Northview High School Art Room

Temporary Tattoo Design Class

Program Description: *Have you ever dreamed of creating and wearing your very own custom art? This class will show you how to do just that! Students will be taught how to take a hand drawn or found design and transform it into wearable art. A free digital editing software demonstration will take place, teaching students how to take any image and prepare it for printing to wear on the skin. Artists may work at their own pace and no drawing skills are required. Various art supplies will be available for hand crafted works.*

Location: Northview High School Art Room

Color Splash! Exploring with Paint

Program Description: *Are you intrigued by beautifully painted pieces of artworks but struggle with making art look realistic? This series of classes is just what you'll need to delve into the world of non-objective painting, by exploring techniques that create abstract and vivid works of art. Students explore abstract painting techniques such as acrylic pour, string art, and splatter painting. No artistic skills are needed; in fact, the less you know the better! This calming art style only requires a bit of intuition and excitement to create beautiful pieces of art to take home. This 4 day course will explore at least 3 methods of creating, and students will take home all of their original works of colorful art.*

Instructor: Savannah Vickers || (616) 826-0110 || vickers1@ferris.edu

Ages: 16 years and up

Dates: June 28-30 (MTW) & July 7 (W) **Time:** 5:00 - 7:00 pm

Cost: \$125 per person

Location: Northview High School Art Room

Street Art

Program Description: *Students will be introduced to various forms of street art. From cave drawing to graffiti, students explore and develop their own unique style inspired by the art we see every day. We will use finger painting, drawing, spray painting and silk screening to create beautiful pieces of unique and fun "street" art to take home.*
