NEW PROGRAM!

"Mountain Cats" - Catch the craze of Mountain Biking and learn what this popular ageless activity is all about. Students ages 8-Adult are invited to attend both the **Bike Repair Class** and/or the **Mountain Bike Clinic** for a full morning of biking fun. (8-10 year olds must be accompanied by an adult) Learn how to clean, repair and tune up your own bike; then join us at the clinic to learn and practice new skills on your bike as our instructors show you some basics of the sport.

- **Bike Repair Class:** Saturday, June 5th, 8:30-10:45am \$25. Please bring any parts you may want to change on your bike (tubes, tires, grips, chains, etc.).
- **Mountain Bike Clinic:** Saturday, June 5th, 11am-12:30pm - FREE to Bike Repair participants or \$5+ recommended donation to help us get the new "Mountain Cats" program off the ground.

Pre-Registration Information

Roster sizes are limited. Please pre-register when you are able to commit to the camp/class and at least 5 days before the start of the program. This will allow the instructor to plan their purchases and/or curriculum according to roster size. Late pre-registration by email will be considered if there is room in the camp/class.

To pre-register simply email the following to NVComEd@nvps.net

- Name of camp/class you are registering for
- Participant name and grade in fall 2021
- Parent name, email and phone number
- Any special circumstances we need to be aware of

Payment information and other details will be emailed back to you once you are pre-registered.

Additional Program Information: All materials will be provided. Please bring your own water bottle if needed. All Covid safety precautions pertaining to schools will be followed.
