Let's Cookie 2gether

Program Description: Join us for some cookie fun in this "make and take" adult/child class! Karie French from The French Confection will teach kids and adults about tools and techniques for decorating cookies with royal icing. These are introductory classes, and the sessions will be tailored to best suit the skills at each age level. During class, each pair will be decorating a set of cookies to take home and enjoy. Unique designs will be prepared for the June classes and the July classes so that students can sign up for both classes if they wish.

Children must be accompanied by an adult. Adults are welcome without a child but we recommend Class 2 or 5.
