

Our best. Your best.

Below is your Monday update for the week of May 24, 2021.

We would like to wish everyone a safe and enjoyable Memorial Day weekend!

As a reminder, the schedule for our last week of school will be:

Monday, May 31	No School (Memorial Day)
Tuesday, June 1	In-person Instruction
Wednesday, June 2	Virtual Instruction
Thursday, June 3	In-person Instruction (last full of school day for students)

Summer Learning Programs Class Assignments

Thank you to all families who registered for our summer learning programs, to be held from Monday, June 14 through Thursday, August 12.

As an update:

- **Grades K-8:** All K-8 students whose families registered by the end of the day on Tuesday, May 18 have been accepted into our summer learning sessions. Students will attend the session or sessions for which families have requested. Beginning tomorrow, Tuesday, May 25, our Curriculum Director Dr. Becky Moore will contact families individually via email to confirm your child(ren)'s registration and session assignment(s). Teachers scheduled to teach our summer programs will reach out to students attending Session 1 beginning on Wednesday, June 9. Session 1 will begin on Monday, June 14, 2021.
- **Grades 9-11 Credit Recovery:** Currently all requests for 9-11th grade credit recovery courses are being reviewed by our NHS Counselors and the district's Coordinator of Student Engagement and Recovery Mr. Ryan Oshnock. A high school summer school staff member will be in touch with all families who requested credit recovery by June 4 with an update on the plan for your student's summer schedule.
- **Northview Next:** All Northview Next Learning Center and Career Center students and families have been contacted regarding the plan for your student's summer learning. Please reach out to Mr. Drew Klopocic with any questions you may have.

REMINDER: District-issued Chromebook Collection

Over the course of the pandemic, Northview issued over 2700 Chromebooks to students to support distance learning. For those families who took advantage of this program, please click [HERE](#) to learn how to return the device.

Due to the Memorial Day holiday, there will be no family communication on Monday, May 31. However, please stay tuned for the June 7 family update, when we will share information on what we are planning for the fall.

Sincerely,

Dr. Scott Korpak
Superintendent
