

August 2022

Even though it is still summer, we are looking ahead to next year! We are going to have an exciting year together! You will have many special opportunities as a 4th grader to learn new things, make new friends and have new responsibilities in our school.

Our first day of school is **SEPTEMBER 6** and it is a full day of school! Our Open House will be communicated at a later date. During that time, you and your special guest(s) will get a chance to get a "sneak peek" of your classroom, meet some of your classmates, and your teacher!

Please bring the following suggested items **with you to our Open House**, and when you find your desk, you can put them away to be ready for the first day of school. *You may want to write your name on these things before bringing them to school.*
