

MEET Mrs. Bigger

My Family

About Me

I have wanted to be a teacher since MY first day of Kindergarten and I am very happy to be entering my seventeenth year with Northview. I graduated from Western Michigan with a degree in Elementary Education and Early Childhood. I have a husband, Bryan, and two sons. Blake who is 11, and Bo who is 1 (in August)! We also have a dog named Lily and a cat named Ivy. My spare time is limited, but I love to spend it with family and friends, as well as participating in a large variety of activities outdoors like camping!

I cannot wait to learn all about you, too!
