

In exercising responsible stewardship as trustees of the Northview School District, and in distinguishing the Board's own unique job from the jobs of its staff, the Board of Education will seek the following products or end results of its work:

1.1.1

The hiring and yearly evaluation of the District Superintendent.

1.1.2

The development of explicit governing policies which lead the District to the fulfillment of its mission. These policies include the Board's own governance process, including transition management, board self-assessment and new board member orientation, Board Certification achieved within the first half of their first term, executive limitations, Board/Superintendent/Staff relations, and desired educational outcomes for the District.

1.1.3

Assurance of financial integrity and stewardship of the District.

1.1.4

Engaging owners, stakeholders, and constituent groups in support of the business of the District.

1.1.5

Advocating for legislative policy development which supports the mission of the District.
