

☀️ WELCOME ☀️

About Me

Welcome to a new school year! I'm so excited to have your child in my class this year. My name is Teresa Suwyn (pronounced Soo-Win). I will be starting my 18th year of working in public schools. I've been a resource DHH teacher, sign language interpreter, ELL teacher, ASL immersion teacher and ASL teacher.

I grew up in Middleville, MI and went to MacMurray College in Jacksonville, Ill near the Illinois School for the Deaf. It was a wonderful learning experience. I now live in Saranac, MI with my 4 kids, husband and cows.

About Our Classroom

My goal is to help your child learn and grow while having fun too. I believe valuable learning happens when your child is comfortable and feels welcome. Let me know if your child has specific interests or needs that might help me get to know him/her better.

We will be learning lots of language through thematic units. We will also be doing centers, basic math and art.

Things Your Child Needs to Bring

*We will have snack time during our morning and afternoon classes. Please let me know if your child has any allergies. Feel free to send your child with a snack if they like something specific.

*Please send in diapers and wipes if your child needs them. I will let you know when we get close to running out.

*Please send an extra set of clothes or two in a ziploc bag.
