

The West Oakview PTC

Opt-Out Fundraiser

*Would you like to avoid buying, selling, requesting donations from friends and family and generally all fundraising efforts this year? **We get it - we feel the same way!!***

That's why this year, the PTC is offering an "opt out" alternative fundraiser. In lieu of, or in addition to, any of the other fundraisers that we'll be doing throughout the year, you can just donate directly to support our efforts.

100% of these donations will go towards supporting our school, students and teachers, providing school supplies, transportation for field trips, teacher appreciation, and more.

_____ I love this school and would like to donate to the PTC! I would also be interested in volunteering with the PTC . Here is my email address: _____

_____ I love this school and am also super busy! I would like to support the PTC with this one time donation of \$ _____

The suggested amount is \$50 per family, but any amount helps and is greatly appreciated! Please note, your family will still continue to receive fundraiser information throughout the year. Please feel free to disregard and not participate, guilt-free!

Parent Name: _____

Student Name: _____

Please make checks payable to West Oakview PTC or donate online at <https://opt-out.cheddarup.com>
